

# COMING SOON: SEPTEMBER PROFESSIONAL DEVELOPMENT

Hosted by the Upstate Professional Development Center

## Teacher Learning Network: Lesson Planning

Thursday, September 21, 4-5pm

Teachers, are you looking for new ideas about classroom procedures, expectations, parent communication, student engagement and more? If so, join our Teacher Learning Network. Each session will be focused on a topic where participants will learn strategies and resources that are easy to implement.

---

## Small Group Instruction Series Part 1: Flexible Grouping Strategies

Tuesday, September 26, 4-5pm

In the first of this three part series, participants will explore the purpose and benefits of flexible grouping, how to plan for and implement flexible grouping throughout the year, how to prepare students to work in small groups and strategies for configuring small groups that give all students access to curriculum through meaningful interaction with their peers.

---

## Infusing SEL into your Everyday Classroom

Tuesday, September 26, 4-5pm

This session will focus on understanding some of the common barriers of engaging in SEL and how to overcome them. Attendees will learn about the benefits of SEL and most importantly leave with actionable steps to begin infusing SEL into daily classroom activities and routines.

---

## Classroom Arrangement & Routines: Structuring Space & Movement for Learning

Wednesday, September 27, 4-5pm

In this session participants will explore ways to minimize commotion in the classroom by examining ways the arrangement and routines impact student engagement and learning. Participants will explore ways the physical space and organizational planning for the class flow can help support learning.
