

Standards-Based Learning in Action: Moving from Theory to Practice

BY T. SCHIMMER, G. HILLMAN, & M. STALET'S

SUMMER BLENDED BOOK SERIES

Thinking about exploring the concepts of standards-based (or standards-referenced) learning and assessment? This book will help guide you in your search to refine your current strategies in standards-based learning, or help you explore your first steps in the journey.

Participants in this course will explore

- step-by-step guidance, and an exploration into the culture of standards-based education.
- research-based strategies-- resources you can implement right away.
- strategies to support the communication of these practices for your entire educational community (including parents and students).

Register Now!

BOOK: Standards-Based Learning in Action

DATES: August 8, 9, and 10

Facilitated by: Karen Marten | kmartin@measinc.com & Chris Karle
