

GROW WHAT YOU KNOW

MENTORING SERIES

Hosted by the Upstate Professional Development Center

NEW!

Presented by Kathy Oboyski-Butler

Session One:
Mentoring Basics
Tuesday, Jan. 24
4pm-5pm

What can mentoring look like? What should we consider in developing or enhancing a mentoring program? What makes a mentor effective? Who are mentees and what do they want and need? Participants will explore these questions, and identify a need and a goal for their possible mentoring experiences at their school.

Session Two:
Customizing Mentoring
Tuesday, Feb. 7
4pm-5pm

What kinds of mentoring will benefit your school? What are your needs and goals? In this session, participants will consider ways to identify the unique needs and strengths of their school staff and use this as a baseline to outline the purpose, people, frequency, and goals for planning and developing a mentoring experience that best fits their school.

Session Three:
Resources for Mentoring
Thursday, Feb. 16
4pm-5pm

No need to 'reinvent the wheel' to design a mentoring program. Resources are readily available to support your work. *What resources make for a 'just-right' program?* This session focuses on the resources (time, money, people) available to support a range of mentoring experiences and programs.
