

Art Educator Network

Facilitated by Diana Straut
 with Visual Arts Educators
 from across NYS

Join us!

The Art Educator Network provides a forum for art professionals in NYS religious and independent schools to connect and collaborate. Each session will focus on a current topic in art education, with time for open-ended discussion and resource sharing.

Whether you are a seasoned art teacher or a new educator just starting out, the Art Educator Network is a valuable resource for advancing your classroom practice. Join us to connect with other art professionals, share ideas and resources, and stay up-to-date on the latest developments in art education.
